

# Online Japanese Lesson

---

Are you considering online lesson? Do you live outside of Auckland or in a foreign country? Don't worry, I have been providing online Japanese lesson more than 4 years via online. I can teach Japanese to anyone who speaks English as long as you can access the internet.

## Q1. What will I need?

- Computer with camera and install Japanese font ( I will teach how to type Japanese characters.)
- Fast internet access
- Google account

Optional ; Printer (for those who want to print out)

## Q2. How about studying materials and homework?

- I will share with your homework every lesson via google drive so you can try the homework online. If you like to write down on hard-copy, you need to print out them. It is up to you.
- Studying materials will be sent via email with attachments
- Additional Online lesson videos links will be sent via email.
- Most exercises are based on Genki textbook.

## Q3. What is the benefits of taking online lessons?

Some of my students who live in Auckland even take my lessons online as their parents can save time on the commute while still getting that home-tutoring feel.

## Q4. What is Zoom?

Online lesson will be conducted using a video chat software called Zoom. I will send a Zoom link and you/your child will click the link to start the lesson. For example, if your lesson time is 4pm on Tuesdays, you can use the same link to join the lesson every week.
